## DIRECTOR'S DESK

National Institute of Technology Kurukshetra has established itself as one of the most esteemed institutes of India. Our alumni have proven their mark at national and international levels, and their accomplishments stand testimonial to our endeavours and their determination.

Established in 1963, NIT Kurukshetra is an Institution of National Importance that nurtures its students in their overall technical and personality development. NIT Kurukshetra has a rich tradition of pursuing excellence and has continually reinvented itself in terms of academic programs and research infrastructure.

We are a preferred destination for aspiring engineers across the country for the past several years. We highly value our partnership with recruiters, and strive to make their recruiting experience productive and positive. I, on behalf of NIT Kurukshetra, invite organizations to visit our institute for campus recruitment.

*Dr. Satish Kumar*

## DEAN | Industry & International Relations

As the world marches into the 21st century, India, at the forefront of the developing world needs an increasing lot of intelligent, astute, hardworking and technically proficient minds. National Institute of Technology Kurukshetra, well known for its cutting-edge research and academic programmes boast itself on creating an ecosystem that facilitates not only the academic but the holistic development of the students. The Institute carries a rich legacy of more than 50 years as one of the premier institutes of the country. NIT Kurukshetra provides the ambience where creativity and new ideas flourish, producing leaders of tomorrow by imparting knowledge blended with excellence and innovation. Technology is changing every day to cater the needs of the industry and I am felicitous to say that NIT Kurukshetra had faced the challenge successfully and adapted itself according to the requirements of the industry.

We highly value our partnership with recruiters, alumni and friends of NIT Kurukshetra and remain committed to make your recruiting experience productive and positive. I am confident that this group of professionals will be the torchbearers of your organisation as well as of our country. I take pride in cordially inviting the recruiting organizations and graduating students to find the best match between their needs and capabilities.

*Prof. Pankaj Chandna*

## *Our Vision*

To be a role model in technical education and research, responsive to global challenges.

## *Our Mission*

To impact quality technical education that develops innovative professionals and entrepreneurs and to undertake research that generates cutting edge technologies and futuristic knowledge, focusing on the socio-economic needs.

## ABOUT THE INSTITUTE

National Institute of Technology Kurukshetra is an Institution of National Importance that enjoys the reputation of being a centre of excellence, facilitating sophisticated technical and management education and research. A recent Dataquest-IDC-NASSCOM survey placed the institute among the top twenty premier institutions in the country.

Established in the year 1963, NIT Kurukshetra has made rapid strides towards excellence. A sprawling lush green campus, outstanding infrastructure, state of the art support system, contemporary curriculum and dedicated faculty provide an enabling environment for quality teaching, learning and research. A number of research projects sponsored by DST, MHRD CSIR, AICTE, UGC and various other funding agencies are carried out by the institute.

NIT Kurukshetra recognizes institute-industry interface and promotes interaction with the industry through student placements, consultancy services, research projects and jointly organized workshops, seminars, conferences etc.

It is a moment of utmost pride for our institute as it has been ranked amongst the top 50(40<sup>th</sup>) and 6<sup>th</sup> amongst the NITs in the list of best engineering colleges of India as according to the NIRF 2019 Ranking list. This has been possible due to the improved infrastructure, better teaching faculty and the dynamic resources provided to the students. Further strengthening of the bond with the industry is currently a matter of priority for the institute. NIT Kurukshetra looks to the future with renewed vigour.

Invitations with the relevant information are sent to various organisations by the Placement Cell

The interested organisations are requested to share the relevant information pertaining to recruitment with the Placement Cell

The Placement Cell schedules the visit of the organisation on the basis of the information furnished by the organisation and availability of slots

Single Point of Contact (SPOC) is allotted to the organisation

## प्रशिक्षण एवं नियोजन प्रकोष्ठ TRAINING AND PLACEMENT CELL

### PLACEMENT PROCEDURE

The information shared by the organisation is made available to the students. Eligible and interested students register themselves for the recruitment process

The verified database of all such students is shared with the organisation through the SPOC

On the day of the campus recruitment, pre-placement talks, GDs, personal interviews etc. are coordinated and managed by the SPOC allotted to the company.

Organisation declares the list of the final offers either on-campus or through e-mail

Training and Placement Cell coordinates the signing of the offer letters by the students who have been selected

# ◀ RULES AND REGULATIONS

The purpose of the Placement/Internship Rules and Regulations is to define the overall structure & process of the Placement and Internship drive facilitated by Training & Placement cell (T&P Cell) and to structure the roles & responsibilities of the students.

- ❖ As per the revised curriculum, the UG students shall be undergoing Internship/Industrial training/Project work in their 6th semester.
- ❖ In case, at any stage the T&P cell is involved (immaterial to the extent of participation of the T&P cell), in any Internship/Placement process, that Internship/Placement will be considered as on-campus and the T&P cell guidelines will be applicable on that process.
- ❖ For the companies which are offering PG internship for 6-11 months it will be mandatory for the industry to provide/assign co-supervisor/project manager.
- ❖ PG internship/project work in reputed academic Institutions / R&D / Government organizations will be allowed only after the recommendation of the concerned supervisor and HoD of the respective department. Students having internship in academic institutions / R&D / Govt. organizations will remain eligible for full time placement
- ❖ PG internship offers except in academic Institutions / R&D / Government organizations will be considered equivalent to job offers. The second round of placement will commence after getting 80% of the job offers in respective PG specialization.
- ❖ Dean (Academic) will approve PG internship cases only on the recommendation of Dean (I&IR) and the selected candidates can join the concerned industry only after receiving the approval from the competent authority.
- ❖ In case, the final result of an organization is awaited, the shortlisted students shall continue to be eligible to appear in the upcoming companies. Once the awaited result is received. The selected students will not be allowed to appear further in the ongoing process of the recruitment of any organization.

# ◀ RULES AND REGULATIONS

- ❖ Visit of the organizations are being scheduled considering many parameters like pay package, company profile, etc., but it may not be feasible in all cases.
- ❖ It is mandatory for the shortlisted students to attend the Pre-Placement Talk (PPT) delivered by the company representatives. In case the shortlisting has not been provided, all those students who have given expression of interest have to attend the company PPT.
- ❖ The T&P cell shall follow one person, one Job policy, however, the second round of placements of any branch will commence only after 80% of the eligible students get placed in the respective branch (excluding the bonus companies). The placed students will be eligible for the second round only if the CTC offered is greater than the first offer. Additionally, the eligible students must give an undertaking to T&P cell that, in case they get 2nd offer, their first offer should be dissolved with immediate effect. The same information will be communicated to the concerned organization through T&P cell.
- ❖ The second round of placements of any branch commences only after 80% of the eligible students get placed in the respective branch (excluding the bonus companies). The placed students will be eligible for the second round only if the package offered is greater than the initial offer.
- ❖ If a student gets placed in a bonus company, he/she will be eligible for the ongoing and further rounds of placement drive but would not be eligible for other bonus companies.
- ❖ The students having one job offer are eligible to appear in PSUs only if 40% of the eligible students of the respective branch have already been placed. If the first offer is in a PSU, the concerned students will not be eligible for any other organization including PSUs in the ongoing and further round(s) of placement drive.
- ❖ T&P Cell allows Pool-Campus Drives only with the Institute of repute.

## **STUDENTS' LIFE**

NIT Kurukshetra strives to build a platform for aspiring engineers to be future leaders with the right mix of academics and extra-curricular activities. Imparting technical, managerial and interpersonal skills, the institute nurtures students and prepares them for excelling in the challenges posted by the workplace environment.

### **TECHSPARDHA**

TechSpardha is the annual techno-managerial festival of National Institute of Technology Kurukshetra. It is an event where different student bodies coalesce and strive to develop an ideal platform. In this fest participants from all over the country put their technical skills to use and compete at national level. Techspardha is known for organizing a wide range of events that include competitions, exhibitions, lectures as well as workshops. Various technical societies work tirelessly to make this event a grand success every year.

### **CONFLUENCE**

Confluence, the annual cultural festival of NIT Kurukshetra is a cultural extravaganza beyond words. Confluence is the coming together of free spirits of like minded zealous youth and a celebration of culture of true artistic genius. Its urge to deliver the maximum is what makes Confluence one of the most awaited cultural festival. It attracts a whopping 20,000 students from more than 120 colleges all over the country. Various students' clubs work relentlessly to make this event a grand success every year.

## **SAE**

SAE (Society of Automotive Engineers) practices extreme engineering to develop vehicles like All Terrain Vehicles (ATV), Formula cars, and Human powered hybrid vehicles. The society is engaged with various teams. Efficycle team achieved AIR 6 among 90 teams in Efficycle event 2015. Team Nitrox is involved in making off-road vehicles and achieved AIR 2 (most cost efficient vehicle) out of 320 teams in Mahindra BAHA 2016 competition. Team Accelerons is responsible for designing formula style racing car. The team participated in SUPRA SAE INDIA 2017 and achieved overall 18<sup>th</sup> rank among 122 teams. SAE aims to scale new heights by throttling its way to a podium finish.

## **CITIUS**

CITIUS, The annual sports festival of NIT Kurukshetra provides a platform for students to participate in various sporting events. Every year athletes from different NITs compete to become the ultimate champion. But only a select few, who truly have the grit and persistence triumph. The event carries a legacy that promises to grow bigger with every passing year.

## **ROOH & SHIKSHA**

Rooh and Shiksha are non profitable social societies. Rooh organises blood donation campaigns in the institute among other activities. Shiksha supports needy children with school fees and provides other possible help like free books, free tuitions, etc. These societies are driven by the motive to give something back to the people.

## TESTIMONIALS

### Devika Jain

Back in July 2016, when I first visited the campus, I could see one of my dreams coming true and many more to be fulfilled soon. The curriculum of NIT KURUKSHETRA inspires not only to indulge in studies but to enhance wide variety of skills as well. This has definitely shaped my personality and helped me to understand the importance of time management because it could be difficult to balance both studies and extra-curricular activities.

Thanks to all the faculty members, seniors and my amazing peers here for shaping me into a better, confident and a more versatile person who won't hesitate to face new challenges of the corporate world which come across.

I can undoubtedly say that NIT KURUKSHETRA is the best thing that happened to me and it's the most adventurous journey one won't want to miss.

### Abhishek Kohli

Learning is the essence of life.

At NIT Kurukshetra, amidst the state-of-the art infrastructure accompanied by highly intellectual faculty, supportive staff and peers from diversified backgrounds, I have witnessed my skills and competence rising to zenith.

Life here provides both the academic rigour and rewards for sloggng. In a nutshell, NIT offered me an overall growth in terms of academics as well as personal growth.

### Hardik Sachdeva

My experience at NIT Kurukshetra has been unforgettable from the start! The hands on nature of the program makes learning very accessible and smooth. Not only it's academics but it's holistic picture of extra curricula's has provided me an edge. It's a friendly atmosphere on campus and everyone has welcomed me with open arms. I've felt at home at NIT Kurukshetra from the very beginning and I'm glad that I made the decision to come here. The guidance from the faculty and my peers has helped me nurture my skills and personality. As I embark upon a new journey to Gold Man Sachs, I promise to strive hard and make my alma mater proud.

## Preeti Singh

The reminiscence of my journey at NIT Kurukshetra never cease to exhilarate me. The ambience of the Institute, the pedagogical methods followed, the support provided by the professors at each and every facet, the avenue of opportunities for all round development of the student are magnificent. In these years of my college life, I have experienced the elegance of Computer science which eventually landed me in Adobe. I have captained the Kabaddi team in my final year and I was also a part of basketball team. I was also a member of Industry cell society. I have indulged myself in various cultural activities too. Above all these, the crucial learning during this period is to find the balance between various activities in my plate. If I come across any scenario that challenges me in future, I will definitely look back at the life lessons of my alma mater and extract the zeal to come out of it in flying colors. The four years spent here certainly paved a path for all the coming years of my career.

## Mudit Jain

It just feels like yesterday, when I was moving nervously into corridors of NIT Kurukshetra for the admission process. All I had dreamt of was grabbing a good placement from here and never really thought that NIT Kurukshetra was going to improve and enhance me to such an extent. The world-class facilities at NIT Kurukshetra and open-minded teachers always helped and motivated me to achieve new heights with each passing day. I would also like to mention various clubs and societies, seniors, and juniors who helped me in growing both professionally and socially. I would like to express my sincere gratitude towards each and every one of them, who directly or indirectly played a role in my journey. From representing the college in ACM ICPC Indian regionals in the second year to grabbing the highest placement in college at Amazon Berlin, I can surely say it was only possible due to the environment and various resources provided by NIT Kurukshetra. Apart from all this, being a student of such a prestigious institution also taught me to be compassionate and staying rooted in life. As I start my journey with Uber India, I commit to working hard and bring glory to my alma mater.
